

ABC Single Barrel Select

A delicate fusion of flavors from seventh-generation distillers. Named after the country's very first national wonder, Yellowstone bourbon was introduced in 1872 to honor the park's remarkable beauty and pioneering spirit. But it's not just something we stamp on our bottles; you can actually taste the wilderness. From notes of rye to a smoky oak finish, Yellowstone bourbon is our own national treasure.

Notes

Barrel #: 7425535

Nose: Toasted Marshmallow & candied fruit.

Palate: Very nice balance all around with sweet & spice notes.

Finish: Finishes under the tongue with a slight linger all around.

Proof: 102

Mashbill: 73%-78% Corn, 12% Malt & 10%-15% Rye
